The Honorable Rosa DeLauro, Ranking
Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Safe Routes to School project in fiscal year 2024. The entity to receive funding for this project is the City of Saratoga, located at 13777 Fruitvale Avenue, Saratoga, California 95070. The funding would be used for the City's Safe Routes to School Master Plan, improving safety for students through the installation of rapid flashing beacons; high visibility crosswalks; raised high-visibility crosswalks; yield signs; curb ramps; berms; and sidewalks. The project is an appropriate use of taxpayer funds because it will improve pedestrian and bicycle safety for children walking or bicycling to school.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
